Mr Robbie Roberson
545 Edgecombe Ave.
New York N.Y.

Dear Sir:

I am in receipt of your letter of Feb. 17th.
In it you said you would like to play with The
Eagles this season.

I think the best thing to do, would be to
come over to Newark and talk to me.

We are leaving for training camp April 8th,
and will train in Richmond Va.

I am usually at the Grand Hotel for dinner,
but it would possibly be better to call and make an
appointment to see me at the office.

Very Truly Yours
